

awhile, their power ran out, and they told Pharaoh that they could no longer produce the same spiritual manifestations, because the Finger of God was against them, and was more powerful (Exo 8:17-19).

**2Co 11:14** And no marvel; for Satan himself is transformed into an angel of light.

**2Co 11:15** Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

**Act 26:18** To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me.

**Deu 18:10** There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch,

**Deu 18:11** Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer.

**Deu 18:12** For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.

**Lev 19:31** Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the LORD your God.

**Act 19:19** Many of them also which used curious arts brought their books together, and burned them before all men: and they counted the price of them, and found it fifty thousand pieces of silver.

**Act 13:8** But Elymas the sorcerer (for so is his name by interpretation) withstood them, seeking to turn away the deputy from the faith.

**Act 13:11** And now, behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a season. And immediately there fell on him a mist and a darkness; and he went about seeking some to lead him by the hand.

## and the OCCULT

### *Harmless? White Magick? For the good of all, to harm no one?*

Let me tell you my testimony, because I was a white witch (Wiccan). I started off using Ouija Boards and dabbling in other occult practices, like divination (seeing the future through tarot cards, etc). I began performing ceremonial magic, drawing pentagrams on the floor and praying to so-called gods/goddesses of nature such as Diana of the moon, and Pan the goat god of nature. After receiving money when I put out a spell for money, I was all the more hooked. Then I got a crystal ball, and I could see in it as clear as if I was watching color TV. During this time, I met a punk rock guy named Wiz that I was drawn to like a magnet. My tarot cards said he was my soul mate from long ago, but that he was not just a karmic soul mate (someone I had to work out a situation with due to a past life experience), but that he was my eternal soul mate (I was supposed to be with him forever). Though the man denied he had magic powers, I was seeing all kinds of manifestations of him. I saw a huge appearance of him on my closet door, a 3D hologram of him in the air, and many visions of him in my crystal ball. Also, he once spoke through a black cat, clearly telling me in a man's low, droning voice that he loved me. Once, I heard crows caw his name. As I continued on in witchcraft and the occult, I developed the ability to channel (contact) spirits, who talked to me. But soon I was hearing spirits hiss at me and laugh in low, evil laughter. I could feel evil spirits behind me, chasing me up the stairs, or trying to pull me out of my body at night. I was terrified, and felt like I was going crazy. Around that same time, Wiz communicated with me via astral projection (he told me he was floating out of his body to visit me); I lived in another

state. As I lay on the floor one afternoon, I felt him again. I felt his breath blowing on me, and felt him touching me all over. Then he told me to open my mouth. I thought he wanted to kiss me, so I started to open my mouth. Suddenly I felt a vacuum-like suction coming near my face—a great, evil force. Something inside me (deep inside my spirit) warned, “No, don't let it in! It's evil!” I quickly closed my mouth and jerked up off the floor. Wiz's voice changed, and it no longer sounded like him. It changed to an angry, hissing demonic voice. “You should have let me in!” it snapped.

After that, I happened to open a book that a friend of ours bought us as a gift. It was an encyclopedia on magic and alchemy. In the book, I read of demonic possession, in which one church said that the victims of demonic possession got possessed when the demon entered in through their MOUTH. I was horribly afraid. After wanting to kill myself (and even half attempting it), I decided to take my brother's advice and read the Bible. As he put it, “You've tried all your gods and goddesses. What have they done for you?” So my Mom sent me a King James Bible, and when I opened it up, God led me to the scripture in Acts where the Ephesians were worshipping the great goddess Diana (see Acts 19). Immediately, that scripture stood out at me so clear, and my heart was pricked. I knew witchcraft was wrong, and I repented to God right then and there for my involvement in Wicca and the occult. When I slept that night, I felt a great weight lift off of me as bible scriptures repeated in my spirit even though I hadn't remembered reading them, and demons cringed, retreating at the Word of God. I left the state to live with my mom once more. It was then that I called Wiz and met with him. I needed to find out what was going on. I explained to him all the weird spiritual manifestations I saw, heard and felt of him. He said, “Paula, I told you that I'm not into all that witchcraft stuff. That was not me!”

“Well then, who was it?” I asked.

“The devil.” he replied.

At that point, it was so clear that I had been deceived. But Satan wasn't giving up. For everything God has, he has a counterfeit, so he convinced me that I had a gift from God to hear “angels.” They would help me by telling me which way to turn when I was driving and got lost, etc., but pretty soon, they turned into demonic voices screaming in my head, tormenting me. Wiz and I then went to a bible study that my brother invited me to, and both of us got born again (confessed our sins and made Jesus our Lord and Savior). We went home and threw out all of my occult stuff, and while we were throwing it out, demons were screaming “No! No!” Their voices grew further and further away as we cleared out all of the wicked items and put them in garbage bags. Then we went to Wiz's house and did the same thing to all his drug paraphernalia and evil punk rock albums. The next week, Wiz and I went back to the bible study and we were baptized in the Holy Spirit evidenced by speaking in tongues. I felt a great peace at that time, and the power of God was now living inside me, greater than any power of Satan. A month later, I got water baptized to show my conversion to Christ—that I was now a new creature, washed by his Word and by his blood. I urge anyone in Wicca and the occult to turn from these abominations. They are a doorway that allows Satan to enter your life and destroy you and your soul. Give your life to Jesus, for he is Head over all demons, and they are subject unto us through His Name. Jesus delivered me from all demons, and today I am a street preacher, bible teacher and missionary for Him. I found the supernatural I was searching for in God, through Christ, and by His Holy Spirit. Remember, Satan is a fallen angel who chose to sin against God. He has power, as even the sorcerers in Egypt could duplicate certain plagues and also turn their rods into snakes. But after
